

OTD 2008

First World Congress on One-Tuple Databases

24th June 2008, Mondello, Palermo, Italy

CALL FOR ABSTRACTS

One-Tuple Databases (OTD), that is, databases that contains just one tuple, are gaining increasing importance in so many application scenarios that cannot even be mentioned.

OTD-08 will provide an opportunity for academic and industry professionals to discuss the latest issues and progress in the fundamental area of one-tuple databases.

Authors are invited to submit abstract in all areas of data and information engineering, including but not limited to those listed below.

- Active OTDs
- OTDs Benchmarking and Performance
- Concurrency Control and Recovery of OTDs
- Data Models and Languages for OTDs
- OTD Performance and Evaluation
- Embedded and Mobile OTDs
- Fuzzy, Probabilistic, and Approximate OTDs
- Parallel, Distributed, and Grid OTDs
- OTD theory
- OTD Query Processing and Optimization
- Reliable and Robust OTDs
- Spatial and Temporal OTDs
- Stream OTDs

Submission Guidelines

Authors must submit a short abstract (maximum 1,000,000 words) by June 24, 2008 15:00 PMT (Palermo Mean Time) by email at the address: otd2008@gmail.com.

General and Programme Co-chairs

- Andrea Calì, *Oxford University*
- Riccardo Torlone, *Roma Tre University*

Program committee

- Andrea Calì, *Oxford University*
- Riccardo Torlone, *Roma Tre University*

Important dates:

- June 24 (15:00 PMT), 2008: *Abstract submission deadline*
- June 24 (20:00 PMT), 2008: *Author notification*
- June 25 (10:35 CEST), 2008: *OTD Conference*
